Dear Registered Voter:

Michigan voters passed Proposal 3 in November 2018 allowing for no-reason absentee voting. While you no longer need a reason to vote by absent voter (AV) ballot you still need to apply for an AV ballot in writing before one can be sent.

If you would like to automatically receive an AV ballot application for every election going forward, we can add your name to our permanent AV application list.

If this appeals to you, please fill in the information below and return this letter to the clerk's office at city hall and we will automatically send you an application. You would then need to sign and return the AV application so a ballot can be sent to you. If no application is returned to the clerk's office, no ballot will be sent. You can always vote at the polls should you choose to by ignoring the AV application when it comes.

If you have any questions, please call me at 810. 794.9361 x 215

Sincerely,

Sam Boelke
City Clerk
